

Work Is Planned On Local Airport During This Year

Dr. Lentine Appointed To Replace Rex Reid On Board

At a recent meeting of the directors of the Truckee Tahoe Airport District, Rex Reid of Donner Lake resigned from the board stating that he thought that Placer County should have more representation on the board. His resignation was accepted with regrets by the members present and John Houlgate, chairman of the board, expressed the sincere thanks of the board for the very helpful work he had given while a member.

Dr. John H. Lentine of Tahoe City was appointed to fill out Reid's unexpired term.

Carl Hand, district engineer of the federal aviation administration, who was present outlined the procedure in making an application for federal matching funds. The board contemplates spending some \$170,000 in the 1961-62 fiscal year. Of this sum \$90,000 of federal matching money will be used and the balance will be put up by the district out of taxes now being levied plus aviation refund tax money from the state.

The work proposed will consist of fencing a portion of the runway, clearing and grading the airstrip, suitable for light plane use and the building of an access road to the airstrip from the Brockway road.

The firm of Wilsey, Ham & Blair of Milbrae will act as the district's engineers. This firm made the feasibility report for the district about two years ago and has recently made a topographical survey and map of the airport site. When fully completed in the next few years, the project is expected to cost around \$700,000.

The Counties of Nevada and Placer are now in the process of flight zoning a two mile area around the airport site.

Bill Would Provide District At Squaw

Senator Ronald G. "Ron" Cameron, Auburn, introduced legislation to allow voters and property owners in Squaw Valley to create the Squaw Valley Municipal Improvement District. This act provides for the organization, powers, operation, management, financing, change of boundaries and dissolution of the district.

This legislation does not create a district, but merely allows the voters and property owners to create a municipal improvement district if they so desire.

Less than 10 per cent of the land owners in Squaw Valley are registered voters in the area due to the fact that they maintain their principal residence elsewhere. Special legislation was needed to allow these persons to have the right to vote on matters relative to the formation and possible future expansion of the services provided by this district.

PAST PRESIDENTS TO BE FETED BY P. T. A.

Past presidents of the organization will be honored at the Founder's Day program to be held February 6 by members of the Truckee Elementary School P. T. A., in the edifice.

Richard Higgins will be in charge of the affair, assisted by Mrs. Ray Hintz. The meeting date of February 13 was changed due to a school holiday.

ATTEMPTS FOILED TO ROB DONNER PUMPS

Attempts to break into the gasoline pumps at Pratt's Garage on Donner Summit were thwarted Saturday night when an attendant, Wever Ewing heard someone tampering with the pumps. He went downstairs and the culprits fled, but not before he secured their license number and car make.

Investigation by Deputy Sheriff Leo Zander showed the pumps had been tampered with.

RARE PLATE

Mrs. Charles Heller has a Napoleon plate displayed at their Variety Store of the same type seen in the Sevres Museum in France. The rare dish made in the year 1813 expressly for the French leader shows him on a horse, talking with foot soldiers and on the rim is the insignia of Napoleon.

Visits Parents—

Mrs. Paul Parlari and infant daughter are the guests of her parents, Mr. and Mrs. George Kaspian while Parlari is on sea duty with the U. S. Navy.

Going East—

Mr. and Mrs. Anthony St. Claire expect to visit Mr. and Mrs. Don St. Claire at New Jersey and also visit in Pennsylvania and Florida during their trip east.

January Was Driest On Record; Season Far Under Normal

Precipitation in this area at the end of January was six inches below normal.

The U. S. Forest Service reported that the normal precipitation for the end of January is 14.14 inches and the total to date is only 8.14 inches.

January was the driest on record, there being only .79 of an inch of moisture reported for a month which normally has 5.88 inches.

A storm Tuesday brought an abundance of snow to the higher elevations, gladdening the hearts of resort owners and ski enthusiasts. While skiing had been better than fair, the snow will create excellent conditions.

The precipitation in the Truckee area was mostly in the form of rain, although at times wet snow fell.

Mild temperatures were recorded during the week, the low being 16 degrees on Saturday with a high of 47 Monday.

Officers Here Busy During Past Year

Truckee officers had a busy year in 1960, according to the annual report submitted by Chief Deputy Roy Waters to Sheriff Wayne Brown.

The officers answered 923 calls, made 370 arrests and investigated 45 felonies during the year, the report shows. There were 23 juvenile arrests, including one burglary, two petty thefts, an auto theft and four liquor law violations.

A total of \$6,786.37 was lost in burglaries and robberies and of this officers recovered \$1,422.03.

Drunks led the list of arrests with a total of 16. There were 11 assault cases, 13 petty thefts and 10 violations of the state liquor laws. Thirty-two drunk drivers were jailed.

RAINBOW GIRLS SEAT OFFICERS ON SUNDAY

The tenth installation of officers of Hope Assembly No. 18, Order of Rainbow for Girls will be held at 2 o'clock Sunday, February 5 in the Masonic Temple at Truckee.

The public is cordially invited to attend the ceremony when Donna Barnes will be seated as worthy advisor by installing officer, Tina Gruendemann, retiring W. A. Chaplain is Nancy Williamson; Brenda Blatchley, musician and Joan Brown and Ellen Rich, marshals.

Other officers taking their positions for the new year are Karen Smart, W. A. A.; Janice Roth, charity; Ginger Barnes, hope; Cathy Barker, faith; Sandy Fellows, chaplain; Donna Stumbo, recorder; Pat Saarni, treasurer; Gretchen Gruendemann, drill leader; Leta LaBorde, confidential observer; Kathy Ploof, outer observer.

Sharon Abrahamian, love; Carla Baxter, religion; Marcy Mayer, nature; Leilani Braasch, immortality; Sandy Shaw, fidelity; Barbara Keehn, patriotism; Liane Kay, service; Sandy Ferris, choir director; Margy Mandeville, lecturer; Mary Thorwaldsen, musician; Evelyn Hintz, service chairman; Karen Hansen, calling chairman; Rita Williams and Diane Silveri, publicity chairmen.

LLOYD GAY TO SPEAK AT BOOK CLUB MEET

Lloyd Gay is leader of the forthcoming discussion on selections from Sir Isaac Newton's "Mathematical Principles" at the February 8 meeting of the Great Books Discussion Group. The group will meet in the library of the high school in Truckee beginning at 8 p. m.

HELD AS DRUNK

Gerald Edward Spratt, 29, St. Paul, Minn., was arrested by officers of the California Highway Patrol last week and booked in the county jail on a charge of being drunk in an automobile. He was slated to appear before Judge F. W. Wilson in the Truckee Judicial District Court.

Out Of Hospital—

Following another operation on his injured arm, Charles Harvey is out of the hospital, greeting friends.

In Marysville

Mr. and Mrs. Lloyd Everett were business visitors last week at Marysville.

Rites Are Held For Young Victim Of Automobile Crash

Robert Pankoke Is Killed In Tragic Collision Near Reno

Mass for Robert Jon Pankoke, 22, son of Mr. and Mrs. Robert E. Pankoke of Donner Lake, was held Monday morning at 10 o'clock at the Assumption Catholic Church with Father Patrick O'Neill officiating. Interment was in the Catholic cemetery.

Pankoke was killed instantly Thursday night when the car he was driving skidded out of control two miles west of Reno and crashed head on into another vehicle in which four were injured.

Investigators said the victim apparently was passing a truck when his car skidded into the westbound lane and struck a car driven by James R. Nix, 21. Injured and taken to a Reno hospital were Nix, John Munson, 21, Carol Turner, 22, and Sally Wood, 25, all residents of the International House at the University of California at Berkeley. The four suffered only minor injuries.

Pankoke was a native of Waukegan, Michigan, born July 4, 1938. He came to Truckee with his family in 1953 and was a graduate of the Tahoe Truckee High School with the class of 1955. He had recently been employed as a radio-anouncer here.

Besides his parents, Robert is survived by a brother, David, 15, and a sister, Diane, 12, and his grandmother, Mrs. Thelma Fisher of Illinois.

Rosary was held Sunday at 7:30 p. m. in the Truckee Colonial Mortuary chapel. A large number of friends attended both the rosary and mass exemplifying the high esteem in which the youth was held.

Pallbearers were James Graham, John Bodertscher, James Willis, Harry Chandler, Frank Evans and Hio (Butch) Sathoff.

The entire community joins in extending sincere and heartfelt sympathy to the bereaved family of the young man.

SATURDAY LAST DAY TO REGISTER VEHICLE

Saturday at noon has been set as the deadline for registering vehicles for 1961 without penalties.

Richard Paddock, in charge of the Truckee office of the department of motor vehicles estimated Wednesday that only slightly more than half of the vehicles in this area have been registered for the year.

If vehicle owners failed to receive the new 1961 card statement, they are asked to submit the 1960 registration stub with the 1961 fees.

Car owners are urged to visit the office during the morning hours if possible to avoid crowds later in the day.

BILL TO ELIMINATE ELECTION OFFERED

If a bill introduced by Assemblyman Paul Lunardi is passed there will be no need for an election of directors on the airport district under certain provisions.

Assembly Bill No. 75 provides that "if on the 20th day prior to a general airport district election only one person has been nominated for each of the offices of director to be filled at that election, and a petition signed by five per cent of the voters requesting that the election be held has not been presented to the board of directors of the district, an election shall not be held."

"In such case no election shall be held but the board shall appoint those nominated for the offices of director, or, if no persons has been nominated, the board shall appoint any qualified person to the office."

DEPARTMENT CALLED GLENN HOME BLAZE

The Truckee Volunteer Fire Department was called out Sunday afternoon shortly after 3 o'clock to extinguish a fire at the home of Mr. and Mrs. Wilbur Glenn on East River Street. A short in wiring under the house is believed responsible for the small blaze which caused only minor damage before the firemen had it controlled.

In Hospital—

Al Pfandler, well known local man, is reported to be a hospital patient with pneumonia.

Kings Beach Leads Town League With Five Games Won

By JOHN FIRPO

The undefeated Kings Beach Lions increased their league lead to 5-0 while dumping Harry's Quality Meats and Marier's Marauders slipped into second place last Monday night in Truckee Town basketball action at the local high school gym.

The league leading Lions jumped off to a first quarter lead of 18-6 and then coasted to a 28-17 advantage at half-time. Harry's Meat five never did recover and the Lions posted their fifth straight win, 53-35.

Kings Beach was led by the fast-breaking of guard L. J. Robinson who sank 19 points to take game honors. Gary Gunkel and Ken Osburn contributed 11 and 10 points respectively.

Marty Kumble led the losers with 12 points as the Meat Men absorbed their third loss.

In the opener, Marier's Marauders took over second place by knocking off U-Save, 57-46. The Marauders continually led throughout the close contest and pulled away 25-19 at the intermission. From then on they outscored the station men in the last two quarters and captured their fourth win.

Rex Donaldson and Buster Marier lead the winners with 17 and 16 points. Donaldson scored 13 points in the final half to drown out any U-Save hopes of a come-from-behind victory.

Jim Smith was the big gun for the losers with 13 and Bob Tonini chipped in 11.

The Tel-Cos drew a bye for the evening.

Here are the unofficial league standings including games played Monday, January 30:

Team	Won	Lost
Kings Beach	5	0
Marier's	3	2
U-Save	2	3
Tel-Cos	1	3
Harry's Meats	0	3

Cramer Will Give Report On Valley

Sterling Cramer, comptroller of the Yosemite Park and Curry Corporation, was tapped by Governor Brown to look into the state's operations at Squaw Valley.

The governor said he had asked Cramer to tell him what the state should do about the widely-criticized setup. Cramer's company operates the hotel and other concessions at Yosemite National Park.

A Senate investigating committee charged that questionable and unorthodox procedures were involved in the signing of a 27-year lease for operation of concessions at Squaw Valley State Park.

Brown commented that he did not know whether it was a good or bad contract but that it was a binding one. Whether the state could have gotten a better deal, he said, is highly speculative.

He said he had full confidence in DeWitt Nelson, director of natural resources, and T. H. Muford, deputy director of finance, who arranged for the contract.

Sen. Ronald G. Cameron, Auburn, filed a minority report disagreeing in part with the majority report on Squaw by the Senate Fact-Finding Committee on Natural Resources.

Cameron urged further investigation of the concession agreements. He said he has asked the legislative analyst's office to study the law and procedures involving all state contracts.

FUNDS FOR VALLEY ASKED IN BUDGET

Included in the support requests in the \$17,200,000 beaches and parks budget for the year was \$300,123 for Squaw Valley State Park, site of the 1960 Olympic Winter Games. Last year the administration asked for \$450,897 for the park.

UMPIRES NEEDED

Anyone interested in attending an umpire school or coaching Little League or Babe Ruth League ball players is asked to contact Roy Waters, Karl Kiehofer or Slim Thompson. A meeting was held at the high school Tuesday by interested people for the purpose of getting an early start this season.

Son For Demers—

Dr. and Mrs. Albert Demers of Sparks, Nevada welcomed a son January 26 at Reno, Nevada. Dr. Demers formerly had offices here and Lake Tahoe.

Contractor Billed For \$3.6 Million In Donner Ridge Fire

Blame For Disastrous Fire Is Placed On Road Contractors

NEVADA CITY—Blame for the disastrous Donner Ridge fire which made a charred wasteland of 39,000 acres last August has been laid squarely upon a contracting firm, Tahoe Forest Supervisor Henry Branagh revealed.

Speaking at the Nevada City Chamber of Commerce installation dinner, Branagh stated that a bill has been mailed by the U. S. Forest Service to the contracting firm of Briggs, Conley and Dennis to the tune of over \$3,600,000.

According to Branagh, the bill covers firefighting costs, damages to forest land including timber not covered through sale, watershed damage, and rehabilitation expenses including re-planting.

The costly charge has been pinned on the firm because of its alleged negligence in burning brush and timber on the right-of-way of the new Highway 40 freeway north of Donner Lake.

The action of the forest service confirms long-standing rumors that the big Donner Ridge blaze was thought to have started from right-of-way burning which got out of control.

Wolverines Lose, Win In Two Games

The Tahoe Truckee Wolverines won and lost in two games played during the weekend.

In Friday's game at Lovelock, the local boys came out on the short end of a 60-54 score, but went to Winnemucca Saturday to edge out the Buckaroos, 50 to 45.

At Lovelock, the host club was in front most of the way, leading by a 10-point margin but the Wolverines pulled within five points and the score stood at 32-38 at half time. That was as close as the Tahoe-Truckee team was able to get.

Fouls hurt the Wolverines as they lost Bergman, Smart and Holley in the final quarter. Nolley led the scoring for the locals with 20 points and Ferrari had 12, with Baxter 11.

The Wolverine JV also suffered a defeat by a 53 to 44 score.

At Winnemucca, the Buckaroos trailed by six points with a minute and a half to play, then pulled to within one point. But the Wolverines nailed down the lid to clinch the win, their fourth against two losses in the Northern Nevada A conference league.

Doug Baxter starred for the Wolverines and piled up a total of 17 points. Smart scored 9 and Nolley and Holley 8 each, with Bergman collecting 6.

The Winnemucca JV won the junior preliminary 55 to 35.

Friday the Wolverines travel to Stewart for another conference contest.

POT LUCK SUPPER BY OES ON FEBRUARY 7

Truckee Chapter No. 116, O. E. S. will meet Tuesday, February 7 for a pot luck supper at 6:30 p. m. preceding the 8 o'clock business meeting.

Orpha Pond, deputy grand matron of the grand chapter will make her official visit to the Truckee Chapter. Virginia Doyle, W. M. and Paul Doyle, W. P. will preside.

Elmay Philippi and her committee will have charge of the potluck supper.

REBEKAH LODGE TO MEET ON WEDNESDAY

Naomi Rebekah Lodge No. 2 will meet in Odd Fellows Hall Wednesday, February 8 at 8 p. m. with Goodie Mori, noble grand, presiding over the business session.

Maggie Avila and Dorothy Stice are in charge of the refreshment committee.

APPROVE SUBDIVISION

The Nevada County Planning Commission has approved the subdivision map for unit No. 2 of Placerville on Donner Summit near Kingsvale. This was announced by E. B. Quinn of Dutch Flat, director of the project who said that as soon as the project is approved by the board of supervisors, properties will be placed on the market.

Details Revealed For Donnerland At Local Meeting

Speaker Tells Of Plan To Develop Recreation Area Here

Expressing confidence in the almost unlimited potential of the Truckee-Donner community, William T. Marsh of Pleasanton and Meeks Bay, Tuesday outlined in some detail plans for the development of his proposed Donnerland, U. S. A.

Speaking before more than a score of businessmen from Truckee, North Tahoe and Auburn at a luncheon at Alpine Riverside Hotel, Marsh declared that planning is already underway for development on 45 acres of land he recently purchased from G. E. Lewis for a sum in excess of \$150,000.

The area, he said, will comprise only a part of the extensive development he expects for this region in the near future, or as soon as the new freeway is completed over Donner Summit. Marsh pointed out that the turnout from the freeway will attract hundreds of thousands of people to this region and they must reach Donnerland and Truckee before they can continue on to scores of places of attraction such as North Lake Tahoe, Squaw Valley, Reno and other areas.

Donnerland, as designed by Marsh will provide recreation aimed at attracting families with children. Provision is proposed for all types of recreation from checker games to golf, with athletic fields, arenas, swimming pools, bowling, fish ponds and numerous other recreational outlets for both summer

(Continued from Page 8)

Chamber Is Told Of Value Increases

With few exceptions, the freeway which now skirts Truckee proper, has not adversely affected business in the area.

This fact was brought out at a meeting of the Truckee Donner Chamber of Commerce at Smart's last week to discuss problems of the area with County Assessor Charles Kitts and his deputy, Ollie Oliphant, as they are reflected in assessments and tax rolls.

Kitts pointed out that some minor adjustments, principally with service stations and motels, might be required but that for the most part his observation pointed to a steady and healthy growth of the community as a whole.

He emphasized the fact that approximately \$4 of each \$6 collected by the county was for fixed charges on local districts such as schools, hospital, fire and sanitation.

(Continued on Page 8)

IMPROVEMENTS ARE MADE AT SMART'S

Alterations at Smart's Cafeteria and Dining Room have greatly improved the atmosphere and have provided additional convenience for the patrons.

The bar, which was previously located on the east side of the dining room has been moved to provide a huge landscape picture on the west side of the room overlooking the summit and mountainsides. The capacity of the bar was also increased by a small horseshoe counter.

A semi-private dining room with an easy capacity for 40 diners has been constructed in the area formerly occupied by the cocktail bar and has its own air conditioning and private entrance.

The souvenir counter has been changed to give a better display. Mr. and Mrs. Reg Smart invite everyone to drop by and see the improvements.

LUNARDI WILL HEAD WATER COMMITTEE

Assemblyman Paul J. Lunardi, Roseville, representing the Sixth Assembly District, announced that he will continue to serve as vice-chairman of the assembly committee on water.

Among other committees, Lunardi will serve on agriculture, public health, public utilities, and transportation and commerce. He is also currently a member of the joint committee on fair allocation and classification.

USS DONNER RESCUES "HAM" IN SPACE TEST

A local angle was injected into the nation's leading story this week in the recovery of the chimpanzee, "Ham" who survived a 420-mile ride through space aboard a rocket.

The smart little ape, still enclosed in his 2,400-pound space capsule, was picked up by a recovery ship, the U. S. S. Donner—a ship named for Donner Lake.

ADULT CLASSES

Adults interested in forming foreign language classes are invited to attend a meeting at the high school Tuesday evening at 7:30, Harold Drummond, school principal announced.

DONNER DOINGS

By VIRGINIA O'BEAR

Well, I got my wish last week. We got some wonderful snow and now all of the children are happy as well as the ski resorts and business people. We took a trip up to Soda Springs Sunday and it is just like being in another world. Everyone looked alike in the snow with the exception of a few girls in colorful stretch ski pants. It is quite an education being around skiers, both young and old. I thoroughly enjoyed the time spent as well as the snow ball fight we had after we got home.

I received a letter this week from Gennie Stark and it was just like sitting down to a coffee break with her. She said it didn't seem as though they were actually away from Donner as they read my column every week and kept up on what's doing. They like it at Jackson Hot Springs, which is just two miles from Ashland, Oregon. Gennie says the people are so friendly at this little health resort. Bill is still working with the construction company and they will

return here April 15 as Bill will again work on the Prosser Dam project, being an engineer for the company. Gennie says her boys are doing well and are well adjusted in school. Tim prefers Tahoe Truckee high but Terry loves junior high there. He was there just two weeks when he was asked to be master of ceremonies at a talent show and he is also doing a song and dance number. Patric and Billy like it there and the first week little Billy was elected president of his first grade class. Gennie expects her oldest son Mike home momentarily from Merced. They will all be back in the spring so any of you auxiliary members wishing to write to this family may do so by sending it to Jackson Hot Springs, Ashland, Oregon.

Little Mark Warnke celebrated his birthday Friday, January 27 and has been going around since holding up two fingers telling everyone he is two years old now. Helping celebrate besides his parents, Mr. and Mrs. James (Hap) Warnke, was Mr. and Mrs. Tony St. Claire, Dr. and Mrs. Robert A. Feldt with their children, Robby and Janna, Tom and little Mike Bonano.

Willie Wilbur spent the weekend

at Donner with his folks, Mr. and Mrs. Virgil Harris and was very happy that it snowed while he was here. He is an energetic young man and was quite successful in his attempts to make some money during chain control. Willie is attending school in Sacramento and Dollie is so pleased with his progress.

Mrs. Ann Nesbitt spent a few days at Donner this week but is anxious to get back to Sacramento even though they have had lots of rain. She said I could have all of this snow so I thanked her and said, "that's good." We will enjoy seeing her when she comes up again, she is such a nice lady.

Election time is coming for the auxiliary of the Donner Lake Volunteer Fire Department. The election and dinner meeting will be held in the basement of the Church of the Mountains in Truckee, Thursday evening, 7:30, February 16. It is hoped that all members will attend this meeting and take part in your auxiliary and the selection of officers for the coming year. Ladies of the W. S. C. S. will prepare the dinner and proceeds will go to the church. The board meeting will be on Monday evening, February 13 at the

home of Mrs. Virgil Harris, co-hostess being Mrs. Charles O'Bear. Since this is the last board meeting for this group of officers, a little party is being planned and any auxiliary member is welcome to come.

The Greyhound Bus Company donated two fire extinguishers to the Donner Lake Volunteer Fire Department this week, expressing their gratitude for saving the people and the bus last spring in the serious accident at Donner Chevron Station. I'm sure the firemen will be most happy with this contribution to help them fight fire more efficiently. The firemen are meeting with the Truckee firemen at Cozzi's on February 7 for a dinner and business meeting and a movie will be shown. Fire Chief Hap Warnke is hoping for a good turnout so hope you firemen will remember the time and place. February 7, at Cozzi's.

Friends and neighbors of the Robert Pankoke family were saddened this week by the untimely death of Bobby. He will long be remembered for his pleasing personality and will be especially missed by the young people. Our deepest sympathy goes to this family.

TNT TIDINGS

By KAYTIE CORBIN

Tahoe Truckee High School students will always hold much pride in our new Wolverine head in the gym. The head was painted by William Englehart and the student body wishes to thank him for the beautiful work.

Ski Coach Bud Jones announced that a Nordic race will be held at Heavenly Valley on February 4. Those boys attending are Trent Giannini, Chris Poulsen, Wayne Poulsen, Bill Gorham, Rickey Jellic, Nick Stone, Bob Kettenhofen, Allan Bray, Robert Hobbs, Don Bradley, John Suter and Brian Calhoun.

Finals are over and some students have smiling happy faces while others have long, sad faces. Grades will be given out Friday. Some students are changing their programs for the new semester.

Jimmy Heuga who has been skiing with the Austrian team in Keusstein, Austria will return home this week. Welcome home, Jimmy.

The freshmen team played the

ACCIDENT ANDY

8th grade of Kings Beach last Tuesday. Members of the squad are Bob Holley, Mike Atstad, Harry Chandler, Pat DeWitt, Joe Hoxsie,

CROSBY AT SQUAW

Weekending at Squaw Valley were the Bing Crosbys who stayed with the George Colemans of San Francisco in a home they have rented on the hillside.

Warner Phillips, Robin Johnson, Jim Hilgson, Richard Saarni, Harry McIntire, Pep Herida, Johnny Talant, Ronald Gregg.

A dance will be presented by the junior class on Saturday, February 5. Chairmen for the evening are Hal Drummond and Terry Walker. The event will be held in the old elementary school.

Scores of last week's G.A.A. are Brown Seniors 25 the Sophomores 10. Farris Juniors 25, Shaws Juniors 8.

All but four California counties, Alpine, Inyo, Mariposa and Trinity, have county agricultural commissioners.

ART SHOP MEETING SET FOR FEBRUARY 3

SQUAW VALLEY—Michael Hamilton will hold a second meeting in Squaw Valley at the Olympic Village for all those interested in forming an artists' work shop tomorrow, February 3 at 10:30 a. m.

There are a number of people in the Truckee and Tahoe area who enjoy art but lack qualified instruction and organization. Hamilton hopes to bring these talents into unified groups and extends an invitation to meet and discuss the project tomorrow.

Further information may be obtained from Mrs. William Fordham in Truckee or Mrs. Ruth Mudge at Squaw Valley.

STATE OFFICIALS ARE PRAISED FOR SQUAW

SACRAMENTO—The state park commission has congratulated state officials for "doing a good job with the complex and difficult problems they were given at Squaw Valley."

The commission singled out De Witt Nelson, director of the state department of natural resources, and his chief of beaches and parks, Charles DeTurk.

After touring Squaw Valley State Park Thursday of last week, the commission said the Squaw Valley Development Co., conces-

junior highs (second and fourth Wednesdays).

Thursdays:
7:30 p. m. worship service for those unable to attend Sunday mornings. Followed by discussion in the Converse room.

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse, Truckee.

Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Why spiritualization of thought is necessary to individual growth and happiness will be brought out at Christian Science church services Sunday.

Introducing the lesson-sermon entitled "Spirit" is the Golden Text from John (4:24): "God is a Spirit: and they that worship him must worship him in spirit and in truth."

Selections to be read from "Science and Health with Key to the Scriptures by Mary Baker Eddy include (485:14-17): "Emerge gently from matter into Spirit. Think not to thwart the spiritual ultimate of all things, but come naturally into Spirit through better health and morals and as the result of spiritual growth."

sionaire at the park, was "furnishing low cost winter recreation... with perhaps the lowest costs in comparable food and lodging of any major ski resort in the United States."

One of the points on which the commission congratulated Nelson and DeTurk was their success in entering into the concessionaire contract "after almost two years of trying to interest concessionaires."

Last week the senate fact finding committee on natural resources criticized the department of natural resources for entering into the concession contract with William A. Newsom, then a \$17,000-a-year state official who now heads Squaw Development Co., despite the fact it had other apparently better offers.

NOTICE OF TRUSTEE'S SALE

On Monday, the 27th day of February, 1961, at the hour of 11:00 o'clock A. M., at the entrance foyer of the Nevada County Court House, in Nevada City, California, the California-Sansome Corporation, a California corporation, as Trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to wit:

That portion of Section 22, Township 17 North, Range 14 East, M.D.B. & M., described as beginning at a point on a curve which is the Northernly reservation line of U. S. Highway No. 40, from which point the center of said curve bears

South 15° 09' West 800.00 feet and from which a concrete monument on the beginning of said curve bears North 86° 33' West 318.6 feet, said monument bearings North 25° 23' East 50.0 feet from the State of California, Division of Highways, Division III, Nevada County, Route 37 Engineering Station 266+ 76.6 (center line station); thence North 0° 40' West 75.6 feet; thence South 60° 30' East 52.41 feet; thence South 73° 44' East 57.8 feet; thence South 0° 15' East 69.0 feet to intersection with said curve on the Northernly reservation line of U. S. Highway No. 40, said intersection bearing North 22° 47' East 800.00 feet from the center of said curve; thence Northwesterly along the arc of said curve 106.58 feet to the point of true beginning, containing 0.16 acres, more or less.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Carl Buek and Gladys Buek, his wife, as trustees, to the California-Sansome Corporation, a California corporation, Trustee, and The Bank of California, National Association, Beneficiary, dated September 7, 1957, and recorded September 25, 1957, in the office of the Recorder of the County of Nevada, State of California, in Volume "237" of Official Records, at page 136.

Dated: January 30, 1961

ICE HOCKEY IS BACK AT SQUAW VALLEY

SQUAW VALLEY—Ice hockey returned to the Olympic ice arena over the weekend when the Squaw Valley Challengers defeated the San Francisco Wanderers 9 to 8. The players were determined amateur ice hockey should come back to the site of the 1960 Winter

Olympics even if they had to pay \$1 each for the privilege of playing. After a crowd of 300 admitted free of charge, entered the arena, the management decided the players could play for free. The Squaw Valley team had an international array of ski instructors. The Wanderers were led by Dick Seibird, one time Sacramento ski racing star.

West Shore Notes

By MRS. ELLEN ATTARDI
Telephone JU 3-3917
Tahoe City

The first session of a training program designed for training of Cub Scout leadership was held Tuesday night at the Tahoe Lake School under the direction of Wilfred I. Hill, executive at the Boy Scout headquarters in Auburn and Scoutmaster Ray Street of Tahoe City. This session was the first of three to be given here — the other two are scheduled for the nights of February 7 and February 14, both to start at 7 p. m. at the Tahoe Lake School. Among those participating in this leadership training program are Den Mothers Mrs. Leroy Hammer, Mrs. Louise Scofield, Mrs. Bernie Banta, Mrs. Mary Louise Hill, Mrs. Pat Cross, Mrs. Sally Pyle, Mrs. Naomi Plew, Mrs. Lester Spitsen, Mrs. Ruth Street and prospective Den Mothers Mrs. May Bradley and Mrs. Jean Holley.

The Cub Scout program has been active in Tahoe City since last November with the four dens meeting once weekly and the combined group holding monthly meetings. Among the handicraft projects the dens have worked on are Christmas photograph albums, mitten hangers, litter bags and macaroni necklaces.

Scoutmaster Street is in charge of the local Boy Scout program. He is assisted by Assistant Scoutmaster Al Pecchenino and Committeemen Ned Long, Don Kastrup, Paul Rivard, Ray Shaw, Vince Michener and Jim Banta. Also working actively with the Cub Scouts are Den Chiefs Danny Nord, Danny Sprague and Roger Michener.

Celebrating her sixth birthday last Thursday was Kathryn Larson, daughter of Mr. and Mrs. C. J. Larson of Tahoe City.

More than 160 points were scored by the junior racers of the Lake Tahoe Ski Club at the F. W. S. A. point race meet held at Mammoth Mountain last weekend.

Winning top honors for the club were Sandy Poulsen and Mark Sullivan who each scored two first places in their respective classes. Racer George Moore marked up two second places in his boy's division. Others scoring in the top three were Karen McBride, Allie Cushing, Sandy Fellows, Cheryl Becholdt, who all placed second in their respective classes; and Dianne McBride and Eric Poulsen won third place.

The next point race meet will be held at Dodge Ridge when many of the junior racers will again compete.

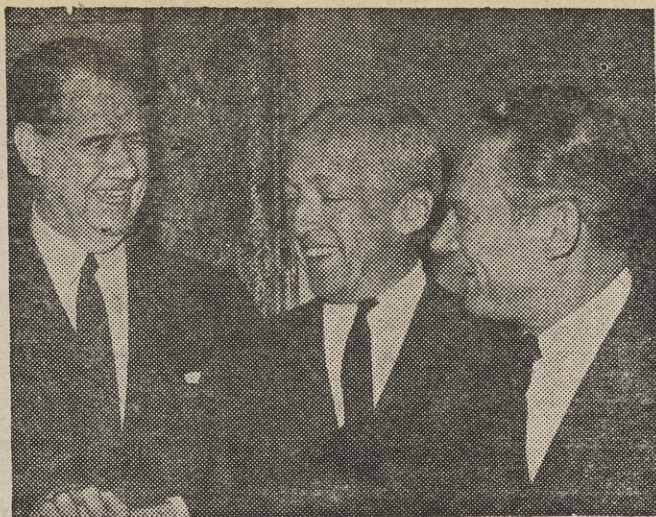

Jilly Lyon of Tahoe State Park celebrated her 13th birthday last Saturday.

Tahoe City's Red Anderson tested the ice at Blyth Arena last Tuesday and pronounced it in the best of shape for all skaters.

Boy Scouts Ernie Marier, Jackie Jones, Bro Shontz and Ray Street, Jr. are perfecting their techniques as members of the Scout Flag Patrol. Caller for the patrol is Danny Nord.

Seventh and eighth graders of the Tahoe Lake School are sponsoring a "Dime-A-Dish" dinner to be given at the school on Friday, February 3, from 6 to 8 p. m. The proceeds from this dinner will be used to help pay expenses for the two classes to participate in a week long nature camp to be held at Camp Pinecrest near Cambria, California.

Entertainment will be provided by class members at 7 and 8 o'clock. The committee making arrangements for this event is headed by Harlene Hopkins who is being assisted by Roger Michener, Kirstin Hansen, Warren Moyer, Kristin Meixner and Alice Calhoun.

Senator Clair Engle of California, right, introduces J. Edward Day of Los Angeles, U. S. Postmaster General, to Senator Olin Johnston of South Carolina, left, chairman of the senate post office and civil service committee. Senator Engle appeared with Day at January 16 hearings at which the post office committee approved his appointment as Postmaster general.

Principal Jim Reynolds spent last Friday in Oakland on Tahoe Lake School business.

Pat Cross and Dottie Caulkett won high honors at the last meeting of the Monday Night Bridge Club which was held at the Pineland home of Jean Holley.

Visiting with the Max Hoffs for several weeks is Mrs. Hoff's mother, Mrs. Effie Craine of Hanford.

Observing their 11th birthdays last week were Janet Jorgensen and Dianne McBride, both of Tahoe City.

The Jim Bakers feted daughter Pam on her fourth birthday with a family party last Friday.

The last meeting of the Tahoe Squaws was a dinner meeting which was held last Wednesday night at Bacchi's Inn in Lake Forest. Tentative plans were made for an April Mardi Gras Ball and final plans for this event will be made at a February 8 meeting to be held at the Pineland residence of Mrs. John Andersen. Co-chairmen in charge of the ball are Mrs. Norman Wilson and Mrs. James Brehler.

Mr. and Mrs. George Pett, formerly of Sky Tavern, have rented a home in Chamberlands for a month and are enjoying the local winter sports activities.

Mrs. J. Philip Murphy and daughters of San Francisco spent last weekend at their winter home in Squaw Valley.

Returning to their Tahoe City home after a winter vacation are Mr. and Mrs. James Martin. They visited many Tahoe City friends in southern California and enjoyed visits in Hemet and Cathedral City.

Mrs. Austin Morris, the former Geraldine Kendrick of Sunnyside has rented the Janet Scates home on the Truckee river for the winter season.

Mr. and Mrs. Orville Ingram spent several days last week visiting friends and relatives in Oakland.

"Cupid's Capers," is the name of the dinner dance being sponsored by the Tahoe Lake PTA, to be held Friday, February 10, at the Crystal Bay Club. Dinner will be served from 8:30 to 10:30 p. m. and dancing will be continuous throughout the evening. Admission to the dinner dance is \$1.50 per person and proceeds from this event will be used to help buy reference books for the Tahoe Lake School Library.

Vince Michener of Tahoe Park is spending several days this week in Stockton on business matters.

One hundred and fifty-three students from the Tahoe Lake School are enrolled in the ski program which is being sponsored by the

Tahoe-Truckee Unified School District. Ninety-seven intermediates and 56 beginners are enrolled in the classes which are held on Wednesday afternoons.

The Sterling Edwards family of San Francisco have been spending weekends at their Pineland home and enjoying all the winter sports activities.

More than 20 Cub Scouts held an ice skating party at Blyth Arena last Friday night. Supervising the outing was Scoutmaster Ray Street.

Mrs. Clarence Mayhew and her family of Piedmont spent last weekend at the family residence just south of Tahoe Tavern.

ROGERS APPROVES LOW LEVEL ROUTE FOR EMERALD SPAN

SACRAMENTO — (CNS) — Will Rogers, Jr., chairman of the state park commission said a bridge across Emerald Bay would not spoil the scenic beauty of two state parks at the Lake Tahoe site but would be detrimental in park planning.

Rogers said Emerald Bay and D. L. Bliss State Parks are two of the most heavily used in the state park system and a low highway route bridging the bay would cut them in two.

"It looks about half and half," Rogers said in speaking of the scenic aspects of the two routes, "but cutting the parks in two would cut use."

Rogers said the division of beaches and parks would need planning for two parks, one on the lakeside of the freeway and the other away from the lake.

Rogers also called for an early decision in the matter. "It stymies and halts all of our master planning for the parks," he said.

The park commission and the state highway commission, in a joint meeting, passed a resolution calling for public hearings on the proposed all-year routes — one a high level road around the bay and the other a low level route with a bridge across the mouth of the bay.

The joint meeting was called for a briefing on a report by the division of highways on the feasibility and costs of the two roads.

John A. Legarra, in presenting the report, said the division had not recommended a route yet but pointed out the urgency of the new road by saying the present route is closed for an average of 5½ months a year and is too hazardous and impractical to keep open the rest of the year.

Legarra said the lower route would cost \$5.7 million or \$6.9 million, depending on which two alternatives was used. The upper route, he said, would cost between \$7.3 million and \$8.6 million.

The upper route would have a 1,300 foot tunnel and a series of snow sheds.

Legarra said the lower route would be two miles shorter than the upper route.

Charles A. DeTurk, director of beaches and parks said the route through the parks would limit the value of camping in the parks and questioned who would keep the upper road open when the state abandoned it.

DeWitt Nelson, director of natural resources was more specific in his protest over the lower road.

"It boils down to whether California wants to spend a little more money and preserve beauty or spend less money for a simply utilitarian use for getting from place to place," Nelson said.

Division of highways spokesmen said all plans concerning the route were done with preserving the beauty.

The division has been studying ways to make the bridge as scenic as possible and has studied the feasibility of replanting highway cuts so they would not leave scars.

Mrs. Gertrude G. Harriman, a member of the park commission said the actual dollar value of our scenery should be considered.

The division of highways had scale maps and exhibits of how the area would look with the bridge across the bay and slides of how the tunnel and snow sheds would look.

RESEARCHER TELLS OF SAGEHEN WORK

TAHOE CITY—Dick Gard, of the research department of the University of California at Berkeley on fish and wildlife, told Rotarians and their guests at a dinner meeting at Tahoe Inn how beaver dams on Sagehen Creek, 13 miles from Truckee, had been so successful in increasing the number of fish in that creek that man-made dams have been built farther up the creek above the beaver dams.

The speaker said that to his knowledge Sagehen Creek had not been restocked since 1951 when the research work started and that the count of fish taken by anglers had not depleted the number of fish in the creek. Gard said the dams provide fish food and protect the fish with deeper water for fish protection during freezing weather.

Ernie Le Pire, who had been on a vacation at the time of his birthday was honored with the happy birthday song and a lighted cake.

Visiting Rotarians were Jack Ferris of the North Tahoe Rotary Club and L. J. Logan of the Placerville Rotary Club. Gordon Moyer had Lee Van Wetter of Squaw Valley as his guest. Twenty-two members attended. Ralph Bly presided at the meeting on January 24.

YOUNG LIQUOR GANG BROKEN AT TAHOE

TAHOE CITY—Sheriff's officers broke up a ring of juveniles at Lake Tahoe, charged with burglaries of summer homes and the sale of stolen liquor.

Lt. Robert Moustiris of the Tahoe sub-station said seven juveniles, ranging in age from 15 to 17, were taken into custody.

He said they admitted entering the Charles Bulotti home at Crystal Bay on three occasions and taking three cases of liquor. Some of the

COUNTY COSTS SET AT \$79.50 PER PERSON

SACRAMENTO — (CNS) — State Controller Alan Cranston announced it cost California counties \$79.50 per person to operate county governments in the 1959-60 fiscal year.

The largest proportion of the money, \$42.42, went for charities and corrections—principally aid to the aged, aid to needy children and maintenance of county hospitals.

Total county expenditures increased \$92,204,769 to \$1,261, 574, 546 during the year.

liquor was used for a New Year's Eve party, and the rest was sold at prices of 75 cents to \$1 a bottle. The juveniles were referred to the Placer County probation officer.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: Our class had decided that Guy Souter is the healthiest member. In checking the attendance for the first semester, we found that Guy was the only one with a perfect attendance record. Christine Smisek has missed only one day and Mary Kay Rose has been present all but two days. We have two new members in our class.

Laura Jordan came to us from Las Vegas and Stephen Smith is a transfer from Carson City.

FIRST GRADE: These children received 100 per cent on their spelling test last week: David Daly, John Laugenour, Sonia Sandoval, Patricia Hausauer, Steve Stone, Carl Kuttel, Denise Clepper, Philip Grow, Judy Dent, Kathleen

Pendergast and Sharon Eckerman. **SECOND AND THIRD GRADE:** Margaret Holloway, Doug Reid, LaVon Mayer, Joan Apple, Homer Owens, Gary Schumacher and Susan Kenyon got 100 in spelling. We are sorry to see Tina Solomon leave.

THIRD GRADE: Pamela Lauge-nour made the most book reports and Barbara Randol gave the most special interest reports in the room this quarter.

Eileen Hausauer made no mistakes in spelling and Sharon Col-nine missed only one word all quarter.

Larry Doyle and Debby Harris are in charge of our table displaying items of interest from various parts of the world.

FOURTH AND FIFTH GRADE: For the quarter ending January 27, the two pupils having a straight A average in all basic subjects were George Franceschini and Karel Lynn Sauby. In addition, other pupils with one or more A's were:

Maryann Atkinson, Ryan Houlgate, Liz and Tammie Richards, Joe Reichlin, Justus Spillner, John Clark, Bill Rose, Mike Kydd, Jill Ford, Shirley Davis, Gail Shackelford, Terry Higgins, Curt Melugin, Richard Martin.

Having perfect attendance for the semester were Terry Higgins, Justus Spillner, Bill Rose, Karel Lynn Sauby and Jill Wurst.

SIXTH GRADE: People getting the best grades in spelling this report period are: John Atkinson, Darlene Doolittle, Terri Richards, Janice Williams and Julia France.

Terri Richards got the best grade in language this report period.

Other people getting the second highest grade in language are Kathryn Braasch and Carolyn McKinnon.

Those getting highest grade in math this period are John Atkinson and Terri Richards.

SEVENTH GRADE: The best grades during the last period in arithmetic were Laurel Mason and Fosten Wilson.

In spelling, the best grades were made by Bonnie Buckoltz and Laurel Mason.

In language, the best grades made were by Laurel Mason.

KINGS BEACH SCHOOL
KINDERGARTEN: This week we set up our classroom grocery store. Some of the students contributing items for our shelves were Loretta Anderson, Georgia Lee Brazil, Dorothy MacDonald, Anne Gorrindo and Derek Hille-gesen.

Albert Madison returned to school this week after being absent for two months.

SECOND GRADE: January's first snowstorm, January 26, was welcomed by our class especially the beginning skiers.

Indoors in our classroom, we are witnessing signs of spring, our rare black cala lilies are in bloom. Chauly Hooper was moved up into reading group No. 4. He is now reading "In New Places."

Billy Brehler was the only skier from our class to participate in the school's skiing program this week.

THIRD GRADE: A silent reading test was given to the class and Joan McDonald achieved a perfect score.

Other outstanding grades were scored by John Gorrindo, Janet Stumbo, Rhonda Lumpkin, Maurie Manning, Richard Holler, Gary Price, Dona Lisa Beck, Linda Astle, Lana Hill, Barry Fisher and Nicolai Larsen.

FOURTH AND FIFTH GRADE: The class officers for this week are Ray Manning, president; Aaron Hibbel, vice president; and secretary is Stephanie Martin.

Eight people got 100 in spelling this week, they are the following: Alan Von Ruden, Jeff Eckhart, Leon Soren, Steve Krips, Mark Bracy, Sharon Decker, Beverly Bertolini and Lynn Korsun.

TAHOE LAKE SCHOOL
KINDERGARTEN: Eva Call made a funny little puppet out of a candy box. She taught the children in the class to make one.

Children making the best number sheet are: Brad Jorgensen, Edward Shaw, Susan Gehlert, Donna Silva, Katherine Long, Sonya Kimball, Billie Menges and Lisa Vanni.

FIRST GRADE: Perfect vocabulary tests were done by Karen Mullen, Michael Bechdolt, Jeff Ballenger, Jeri Sampson and Cin-thie Ables.

SECOND GRADE: Fred Milligan, Cynthia Camp, Paul Corona and Nikki Ballenger have made the most individual progress in their respective reading groups this quarter.

THIRD GRADE: Those receiving A's in arithmetic were: Mark Davis, Lynn Duttweiler, Laura Hoxsie, Jimmie Kastrup, Christina Kechn, Marlene Kimball, Deborah Lawlor, James Long, Dorothy Pomini, Mark Rivard, Sally Starratt and Linda Walker.

FOURTH GRADE: Children receiving A's in the weekly 150 word language-spelling dictation were: Mike Alves, Calvin Bechdolt, Mike Cannon, James Caulkett, LeRoy Hammer, Eric Poulsen, Greg Pyle, Dennis Scoville, Cheryl Bechdolt, Andrea Call, Heidi Henrikson, Meredith LaTour, Kathy Mockaitis, Camille Shirley and Shirley Stark.

FIFTH GRADE: Contributions to the Civil War unit were made by Judy Detzler in an original poem on the death of Lincoln, recitation by Ernie Marier of the Gettysburg Address, and by Violet Wirtz and Barbara Nielsen in two pencil portraits of Lincoln.

SIXTH GRADE: Perfect papers in spelling last Friday, January 20, were made by Gretchen Lawlor, Terry Stimson, Tom Stephani, Larry Moustris, Jon Caulkett, Rose-mary Wray, Holly Wall, Leigh Swi-gert, Rae Lee Grahn and Kathy Coster.

SEVENTH GRADE (Mr. Hawk): Mr. Hawk's class entertained the

OUR BEST WAY-OF-LIFE INSURANCE

The men of the Army and Air National Guard work as citizens and train as military men to protect our way of life. More than 472,000 strong, they stand at our first line of defense. On a minute's notice, runway alert units are activated...air defense units manning Nike-Ajax bases swing into action...27 combat divisions prepare for mobilization. But the Guard's protection does not end with its battle function. In peacetime, it is just as ready to cope with disaster...and just as admirably efficient. Today, the citizen-soldiers of the National Guard are better trained than ever before in the 300-year history of the Guard. They are, in every sense, our Up-to-the-Minute Men, ever ready to serve, and to serve well, our nation's interest.

THE CITIZEN SOLDIERS OF THE

NATIONAL GUARD

SERVE YOUR COUNTRY...IN YOUR COMMUNITY...IN THE NATIONAL GUARD

7th and 8th grades with a variety show. The cast included: Dick Nielsen, Cathy Connors, Cheryl Flory, Joyce Anderson, Karen McBride, Alex Cushing, Kathy Wilson, Greg Hickox and Jerry Jorgenson.

SEVENTH GRADE (Mr. Steinhauer): The class as well as the entire school is looking forward to the "Dime-a-Dish Dinner" to be held February 3. The time is 6 to 8 in the evening. The place is Tahoe Lake Elementary School.

All the seventh and eighth graders are bringing food and will later provide entertainment. Scheduled on entertainment from this room are: Harvey Hopkins, Cynthia Chandler, Benny Keechler, Ken Silva, Kenny Kimball, Virginia Laughlin, Cookie Myers and Wayne Johnson.

The class recently had their math test for the term. Receiving top grades are: Kirstin Hansen, Jill Lyons. Earning B grades are: Ann Skerry, Virginia Laughlin, Cynthia Chandler, Harvey Hopkins and Douglas Gaeta.

DONNER TRAIL SCHOOL

PRIMARY GRADES: The second and third graders all made 100 per cent in spelling on Friday. Third graders are: Debby Rosamond, Christi Monroe, Mary Griffith, Esther Jauregui and Darrell Rosamond. The second graders are: Bonnie Hampton, Billy Griffith, Gayle Payne, Bill Mason, Sue Carskadden, Joseph Jauregui and

EXAMPLE IS CITED IN PUNISHMENT DISPUTE

SACRAMENTO — (CNS) — Sen. Hugh M. Burns, Fresno, president pro tempore of the state senate, has urged all legislators who favor

Deborah McGee.

Gayle Payne has a perfect record for spelling, she hasn't missed any words this year.

The kindergarten and first graders have contributed much to our room environment with their art work. Snowflakes and snowmen have been their latest projects.

GRADES THIRD TO SIXTH: Barry Cardwell journeyed this last weekend to Mammoth for the Mammoth point races.

Lynn Aro, Sheila Rosamond, Marcia Sult and Debbie Zorich, the fifth grade class, all got a perfect spelling score last week. Moise Jauregui has missed only one spelling word since the beginning of the school year.

The third grade has made desert scenes and the fifth grade a detailed drawing of the ear. Both have become interesting bulletin boards.

abolition of capital punishment to read accounts of the recent rape-murder of a six-year-old girl in Kern County.

"It seems to me that this case of bestial inhumanity presents the death penalty case in sharp focus and in simple terms: the unwarranted, unjustified, premeditated slaughter of one human being by another," Burn said.

"This is the time, I believe, when the question of capital punishment should be examined," Burns said, "before the record of a dramatic case can be cluttered with reams of legal technicalities and before the hand wringers can generate mountains of pity for the slayers. By that time the sorrow of the victim's family will have been forgotten."

The legislature has been steadfast in its refusal to abolish capital punishment in California, have refused to do so as recently as 1960. However, bills to suspend the death sentence for several years or make other modification are before the 1961 legislature.

A second public meeting to discuss the conversion of U. S. Highway 40 to a six-lane full freeway from Auburn to Heather Glen, about nine miles, was held yesterday in the Veteran's Memorial

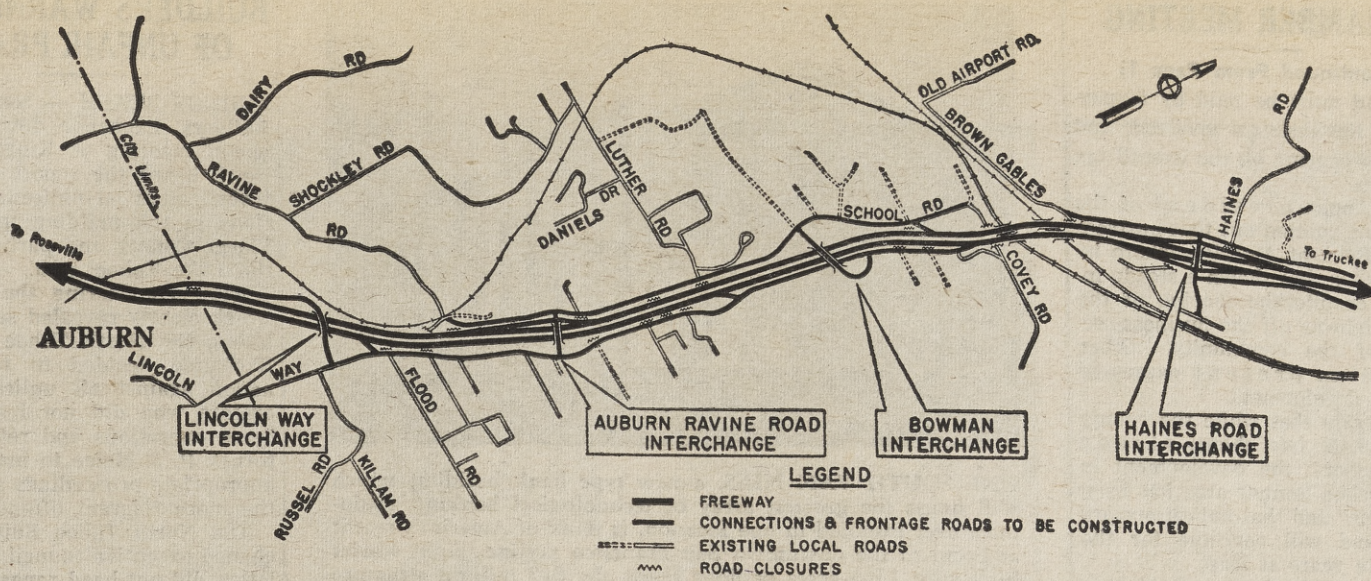

Building in Auburn.

The results of studies made subsequent to the initial meeting in May, 1959 were presented by representatives from the Marysville

district office of the state division of highways.

The above map shows the section of the proposed freeway between Auburn and Bowman where

major revisions in interchange location and design have been made since the original proposal. The remaining portion to Heather Glen remains unchanged from the 1959 meeting.

BIGGEST LIQUOR BILL
IN MANY YEARS IS
BEFORE LAWMAKERS

SACRAMENTO — (CNS) — The biggest liquor bill to hit the legislature since the mid-50's liquor reform has been introduced by Senator Hugh M. Burns, Fresno, at the request of Governor Edmund G. Brown.

The ambitious proposal, SB275, would attempt to solve the problems of mal-distribution of licenses, new licenses permitted by the 1960 census, and an unrealistic quota system which put no limit on issuance of beer and wine licenses but then counted them along with liquor licenses, for quota purposes.

Burns bill would:

1. Permit inter-county transfer of on-sale or off-sale licenses, regardless of the number of licenses within a county.

2. Prohibit the transfer of any new licenses for two years.

3. Remove beer and wine licenses from the quota count but lower the quota from one on-sale and off-sale license per 1,000 persons to one for each 2,000.

4. Prohibit issuance or transfer of licenses to within 600 feet of an existing similar license, with certain exceptions.

5. Increase the original fee for off-sale licenses from \$3,000 to \$6,000.

In addition, Senator John C. Begovich, Jackson, introduced a bill, SB 283 which would prohibit

PARENTS WARNED ON
GO-CART VIOLATIONS

Increasing numbers of the tiny motorized vehicles popularly known as go-carts prompted Lt. O. P. Ledford, officer-in-charge of the California Highway Patrol's Truckee substation, to remind parents that the carts may not legally be operated on California streets and highways.

"Many youngsters received these small go-carts for Christmas, and we want to avoid repetition of an accident which occurred shortly after Christmas, 1959, in southern California in which a youngster was killed," Lieutenant Ledford declared.

"These vehicles are barred from public streets and highways because they do not meet the requirements of the vehicle code in regards to lights, brakes, turning signals, horns and mufflers."

The department of alcoholic beverage control said the Burns bill had been drawn only after many meetings with representatives of the industry, as well as temperance societies. It said the measure was considered a compromise between those who wanted unlimited issuance of licenses and those who wanted none.

STRIKES & SPARES

BY JOE WILMAN

LET THE FINGERS
TAKE CARE OF
THEMSELVES

"Willie the Worrier" asked me about the position of his index and little fingers when his other fingers and thumb were in their proper holes.

Willie was concerned that he wasn't spreading the fingers far enough to allow them to support his grip on the ball.

My advice to Willie and to anyone else with this problem, is—forget it! I don't consider the position of the outside fingers important. When you take your natural grip the fingers will seek their most comfortable position, and that's all that's necessary. Note my outside fingers in the illustration and you'll see what I mean.

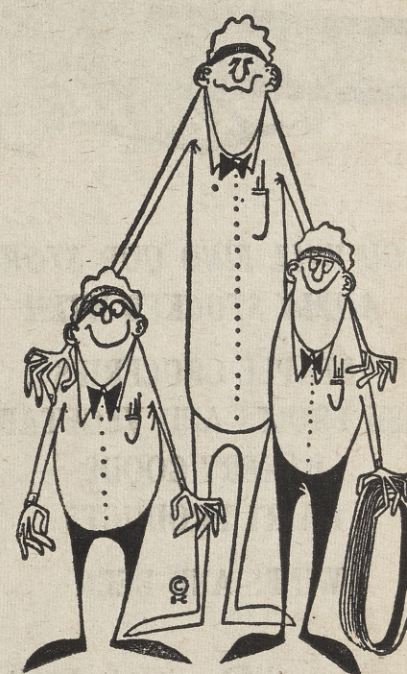

These outside fingers can't help at all. Their only job is to comfortably balance the weight and size of the ball to your hand. They can hamper your game if they are in a cramped or uncomfortable position, however.

I advised Willie to concentrate on the more important details of bowling. Such unimportant details as the position of the outside fingers shouldn't enter into your thinking.

DONNERLAND

(Continued From Page 1)

and winter. Provision for housing and dining will be included, although he made a point that no housing development is included in the plans.

NON-COMPETITIVE

Neither, he declared, will competitive business be included, pointing out that the area now supports numerous advantages for the visitor in its natural state with fishing, hunting, hiking, water sports, camp sites and other assets readily available.

It is Marsh's plan to make Donnerland, U. S. A. the hub of a development which will extend throughout North Tahoe, Truckee and Donner Lake as well as the summit.

"Whatever the vacationist or tourist wants, he will find in this area," Marsh declared. "It is up to us to do a selling job and let people know what is available to them in this region."

Once the freeway is complete, travel will increase by leaps and bounds and while Highway 40 presently is the leading route into and out of California, there is no comparing what it will do after the freeway is ready, he declared.

Marsh emphasized the fact that the area is particularly designed for family recreation and declared that every effort will be made to enhance the region to attract children, as well as adults and provide for their entertainment.

A large scrap book filled with items of local attractions was used to illustrate the speaker's talk.

Marsh was introduced by G. M. Stimson, Tahoe realtor, who officiated as master of ceremonies. Attending from Auburn were A. J. Calley, president of the Tahoe Title Guarantee Company, H. S.

CHAMBER MEETING

(Continued From Page 1)

tion and must be paid by taxpayers of the districts involved, and have no bearing on the overall tax structure.

Lee Apple, president of the chamber, pointed out that business at the Bank of America, where he is manager has shown a steady increase despite the moving of the main highway off the business sections of the community. Other businessmen present expressed similar development.

Kitts said that while the county as a whole has shown steady improvement, the development in the Truckee Donner area has been "fantastic" and that indications are this trend will continue for the next five years at least.

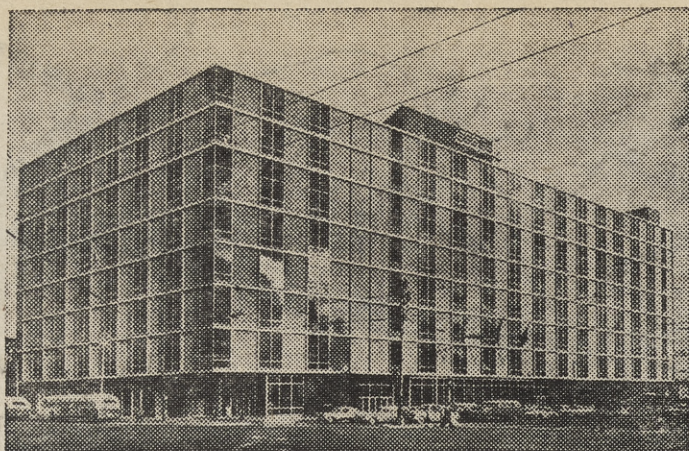

A general business recession in the country has not had the same ill effects on this community as it has in other parts of the state, both Kitts and Olinhart pointed out.

Kitts said that his office sincerely wants to be of service in adjusting tax assessments on certain businesses which have been hard hit by the removal of the highway from the main business section, but declared that as long as values continue to climb and the population continues to grow, there is not too much to be done in reducing assessments.

Approximately 40 local business people attended the session.

Clegg, Jr., assistant manager of the Bank of California, Harry Rosenberry, president of the Bank of California and William Cassidy, publisher of the Auburn Journal.

All present expressed themselves as well pleased and encouraged by Marsh's optimistic explanation of the proposed new Title Guarantee Company, H. S.

ONE SOUTH VAN NESS, a new type bank building which will house the greatest array of technological banking equipment ever installed in one location, is Bank of America's recent addition to the downtown San Francisco skyline. Eight stories high with 13½ acres of floor space, the \$17 million structure features the most advanced electronic and mechanical equipment available for banking services. The only public banking area is a motor branch offering both drive-in and walk-up service on part of the ground floor. When fully activated next March it will domicile a staff of 1,600 serving the bank's Bay Area branches and, in many cases, the worldwide Bank of America organization.

AWARDS PRESENTED AT CUB SCOUT MEET

Award presentation highlighted the Monday evening Cub Scout Pack meeting held in the high school with Cub Scout Master Robert Leamon in charge of the ceremony.

One gold and two arrow points were received by Wilber Glenn and Henry Frates. Doug Reid, Larry Doyle and Dennis Walker each received their Bob Cat pins and eligible boys received their year pins. At inspection time, Justus Spillner and Rod McCallen won recognition for their specially neat appearances.

Jonathan McLane sounded taps after members of Den No. 1 sang a song and later served cookies they had made at a Den meeting held that afternoon in the home of Den Mother Mrs. Robert Leamon.

A potluck supper will be held prior to the February 27 pack meeting in the high school cafeteria with arrangements to be made by Mesdames Wilber Glenn, Ben King, William Walker.

JOHNSON WILL PRESS FOR FLOOD CONTROL

Following top level conferences with army corps of engineers of officials, Congressman Harold T. Johnson this week declared he would press for a \$13,000,000 flood control program for the Second Congressional District.

The meeting with General William Cassidy, assistant chief of the army corps of engineers, in charge of the nation's civil projects, was one of a series of departmental sessions currently being held by Congressman Johnson to discuss the projects of direct concern in the district he represents.

One of the projects reviewed during the meeting was the Truckee river. The sum of \$357,000 is budgeted to complete bank protection work on the project. Outlet work at Tahoe is scheduled for completion this year.

BUILDERS WARNED OF UNFAIR PRACTICE

KINGS BEACH — North Tahoe Builders' Exchange during a luncheon meeting at Kings Beach Bowl, heard the report of special investigators on unlicensed operations in the building industry in Placer County and particularly in the Lake Tahoe area.

After considering the evidence which clearly revealed several violators, the North Tahoe Builders' Exchange decided to take legal action against all unlicensed operators who did not immediately cease operations and retained Attorney P. J. Melee to institute the appropriate proceedings against the more flagrant offenders.

The North Tahoe Builders' Exchange executive council, after violators did not heed repeated warnings, adopted this firm policy in the interest of preserving the reputation of the building industry and to protect the unwary public who unknowingly jeopardize their homes and property and subject themselves to prosecution and civil actions by employing unlicensed operators.

The North Tahoe Builders' Exchange contractors agreed to police and report any and all unlicensed activities encountered so that the North Tahoe Builders' Exchange could then take the appropriate action. And all home and property owners are encouraged to participate in this campaign in serving the best interest of the community.

AUTOPSY ORDERED IN MYSTERY DEATH

AUBURN — An autopsy will be performed to determine the cause of death of a Squaw Valley kitchen worker whose body was found beside a creek. Daniel Tracey, 46, had assertedly attacked a fellow worker with a knife shortly before his death.

Lt. Robert Moustiris of the Placer County Sheriff's Department said there were no visible injuries on Tracey's body.

Moustiris had been taking part in a search for Tracey after he allegedly made an unprovoked attack on Max Langworth, 46. Langworth was treated for face cuts at Tahoe Forest Hospital in Truckee.

SUCCESS MARKS 50TH YEAR OF BOY SCOUTS

The year 1960 was one of the busiest and most successful for the Tahoe Area Council, Boy Scouts of America, it was reported today by Wilfred L. "Bill" Hill, scout executive of the council. Last year was the movement's 50th anniversary.

Hill said that the Tahoe Area Council now serves a total of 1,962 boys in Cub Scouting, Boy Scouting and Exploring. This total represents an increase of 136 boys over the close of 1951, he added.

There are now 26 Cub Scout packs, 31 Boy Scout troops and 18 Explorer units within the Tahoe Area Council. There is a net gain of nine units over the previous year.

RELIEF PAYMENTS IN COUNTY ON INCREASE

SACRAMENTO—(CNS) — General relief payments in Nevada County increased 38.5 per cent in December over December 1959 the state department of social welfare reported.

The number of persons in the county receiving relief totaled 141 compared to 103 in December 1959, a jump of 36.9 per cent.

Total payments in the county reached \$1,801 in December.

The number of persons receiving relief payments in the state increased 39.5 per cent and payments increased 20.7 per cent during December 1960 over December 1959.

FAIR SUPPORT FOR COUNTY ANNOUNCED

SACRAMENTO—(CNS) — The state division of fairs and expositions requests an appropriation of \$14,819,401 for support of district and county fairs in California during the 1961-62 fiscal year.

This exceeds by \$806,328 the amount of revenue these fairs are expected to bring in from ticket sales and other revenue.

Expected income from the 17th district fair at Grass Valley was listed at \$83,301, and expenditures at \$107,230.

COLLEGE SEMESTER STARTS ON FEB. 6TH

Last day to register for a full program at Sierra College is February 10, registrar James McClusky announced this week.

Classes begin on February 6, and late registration for the spring semester will be carried out during the first week, February 6-10.

New Buicks—Mr. and Mrs. Harry Barnes are owners of a new Buick Special, purchased through Osburn's Buick Garage. Another new Special owner is Charles Osburn.

California grows four-fifths of all wines produced and consumed in America.

TAHOE WOMEN AT RED CROSS SESSION

TAHOE CITY—Mrs. Ted Draney of Crystal Bay and Mrs. Marie Henry, Tahoe City attended the monthly meeting of American Red Cross directors in the Nugget banquet room in Carson City, Saturday.

Eighteen members attended from the American Red Cross Sierra Nevada Chapters. Hal Davis, Northern California and Nevada district representative was present to give information on the new organization for this area with headquarters in Reno.

San Francisco's average daily consumption of water last year was 104,440,232 gallons.

MARK TWAIN BOOKS FEATURED IN NEVADA

Nevada's leading libraries are already at work planning on observing Mark Twain Centennial Year in 1961, according to letters received by the general committee coordinating the various observances.

The Nevada State Library in Carson City is preparing a list of Mark Twain works and on books about Mark Twain, and working on other plans for the year.

The University of Nevada Library is making plans to display early editions of most of Mark Twain's major work, and is considering other methods of drawing interest to this writer who is often considered 'one of Nevada's own.'

THE "WHITE TIGER OF REWA"

A WHITE MALE TIGER, THE FIRST TO BE RECORDED IN INDIA IN MANY YEARS, WAS CAPTURED AND PLACED IN THE PRIVATE ZOO OF THE MAHARAJAH OF REWA, India...

IN 1958 IT BECAME THE FATHER OF A LITTER OF 4-- ALL WHITE!

RECENTLY ONE OF THESE WAS PRESENTED TO THE CHILDREN OF AMERICA...

-National Zoo, Washington.

THERE ARE MORE THAN 11,000 DIFFERENT SPECIES OF BACTERIA IN THE WORLD-- ONLY ABOUT 100 ARE HARMFUL!

THEY FUNCTION BY ESSENTIALLY THE SAME CHEMICAL PROCESSES WHICH ARE NECESSARY TO HUMANS OR ANY OTHER CREATURE-- AND WITHOUT THEM LIFE ON EARTH WOULD BE IMPOSSIBLE!

SANCTITY OF THE OPEN SPACES...

"WOE UNTO THEM THAT JOIN HOUSE TO HOUSE, THAT LAY FIELD TO FIELD, TILL THERE BE NO PLACE, THAT THEY MAY BE PLACED ALONE IN THE MIDST OF THE EARTH!"

-Isaiah 5:8

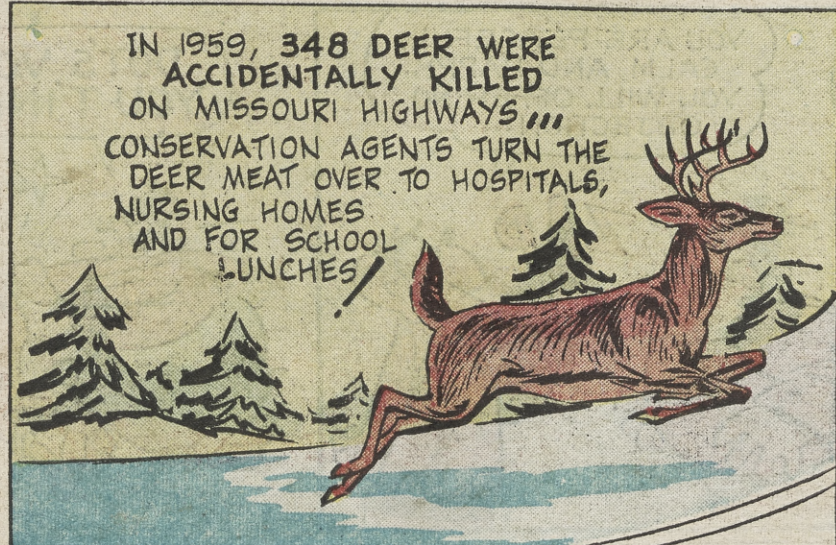

TWO SCULPTURED HEADS, IDENTITY UNKNOWN, JUST INSTALLED IN THE NEW RESEARCH LIBRARY AT CORNELL UNIVERSITY, HAVE BEEN DUBBED BY THE STUDENTS-- FLUNK AND PASS!

THE REQUIRED LENGTH OF SLEEP VARIES FROM PERSON TO PERSON-- BUT CONTROLLED EXPERIMENTS IN WHICH HUMAN SUBJECTS WERE KEPT AWAKE FOR 3 TO 4 DAYS HAVE SHOWN THAT LACK OF SLEEP CAN CAUSE HALLUCINATIONS

THERE HAVE BEEN NEARLY 5,000 DIFFERENT RAILROADS OF ALL SIZES AND DESCRIPTION IN NORTH AMERICA SINCE THE "TOM THUMB" FIRST RAN BACK IN 1830

IN 1959, 348 DEER WERE ACCIDENTALLY KILLED ON MISSOURI HIGHWAYS...

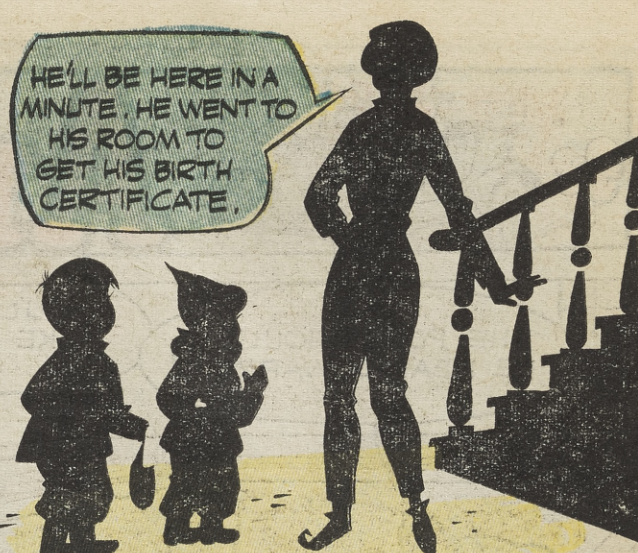

CONSERVATION AGENTS TURN THE DEER MEAT OVER TO HOSPITALS, NURSING HOMES AND FOR SCHOOL LUNCHES!

IT'S VERY NICE OF YOU TO TAKE GEORGIE TO SCHOOL ON HIS FIRST DAY, PENNY AND PAT.

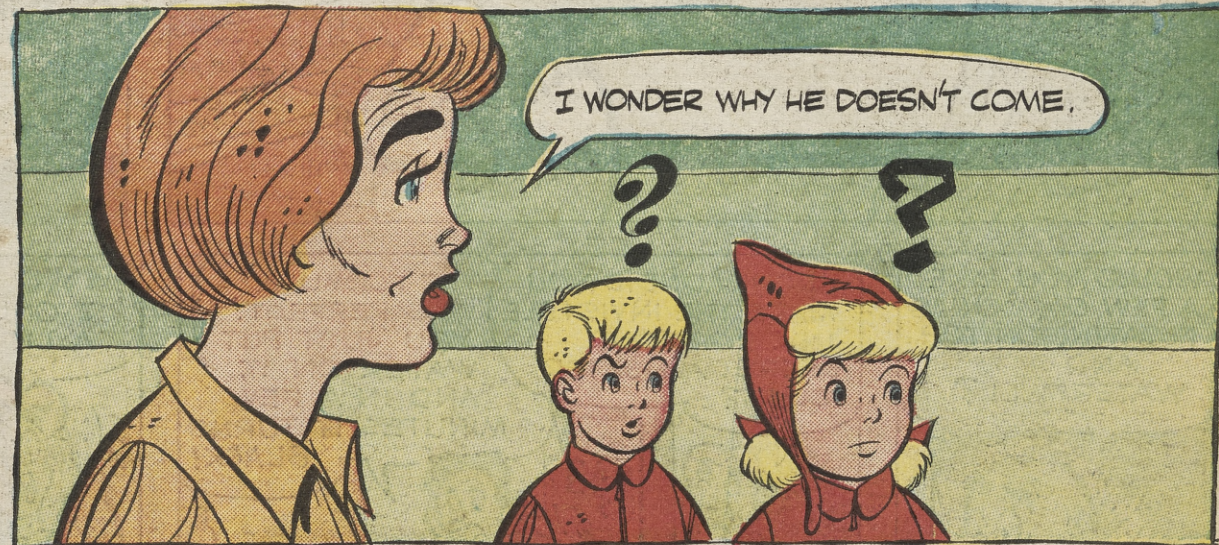

HE'LL BE HERE IN A MINUTE. HE WENT TO HIS ROOM TO GET HIS BIRTH CERTIFICATE.

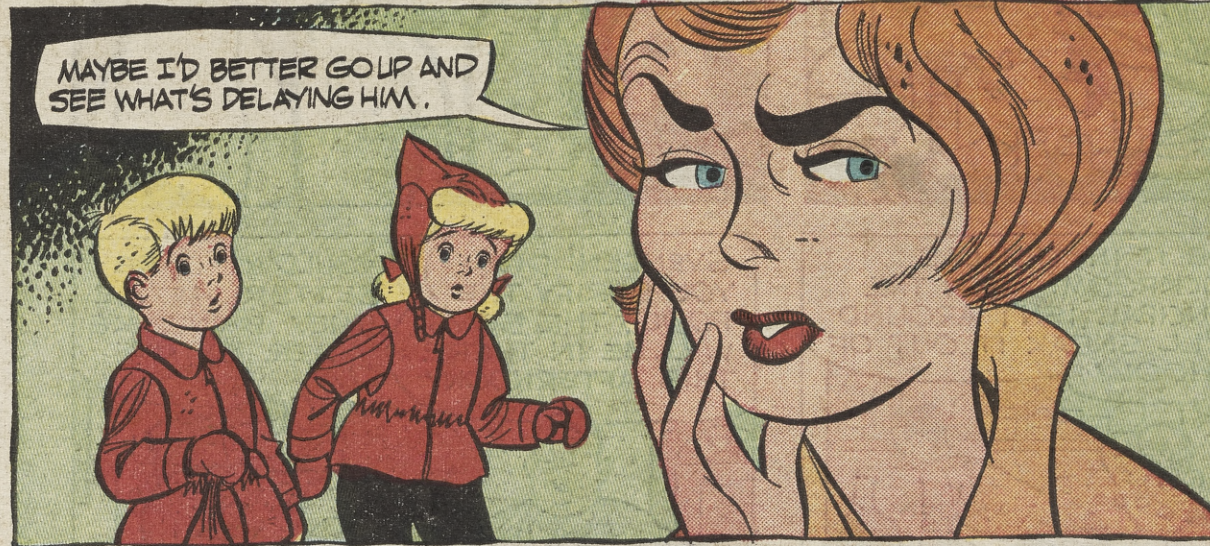

HE BETTER HURRY, OR WE'LL BE LATE.

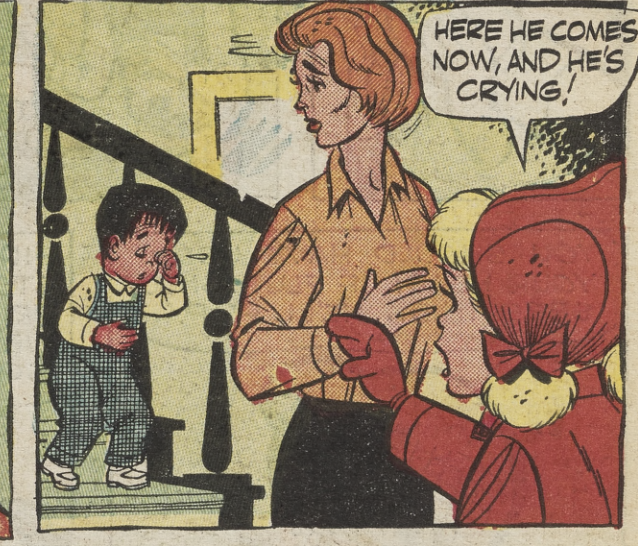

HURRY UP, GEORGIE. PENNY AND PAT HAVE TO GET TO SCHOOL.

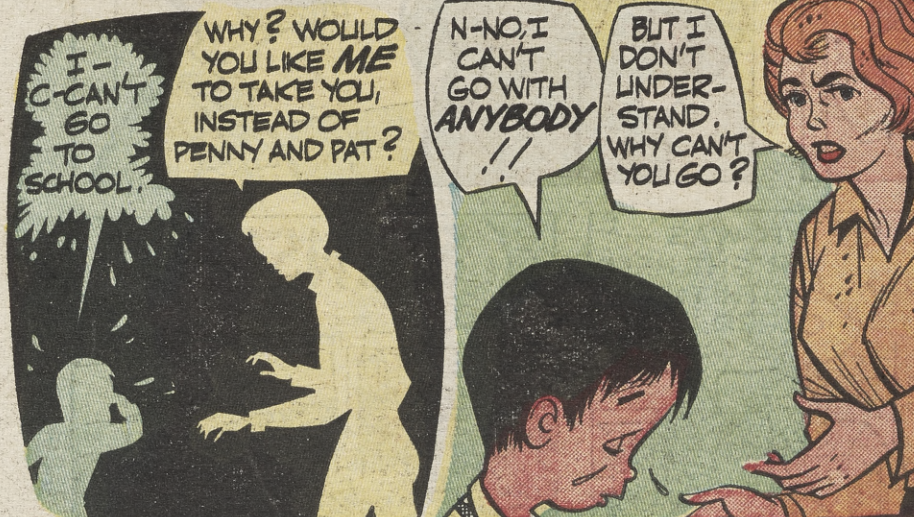

I WONDER WHY HE DOESN'T COME.

MAYBE I'D BETTER GO UP AND SEE WHAT'S DELAYING HIM.

HERE HE COMES NOW, AND HE'S CRYING!

I--C-CAN'T GO TO SCHOOL.

WHY? WOULD YOU LIKE ME TO TAKE YOU, INSTEAD OF PENNY AND PAT?

N-NO, I CAN'T GO WITH ANYBODY

BUT I DON'T UNDERSTAND. WHY CAN'T YOU GO?

'C-CAUSE--I--LOST MY EXCUSE FOR BEING BORN!
